

## 2017 Visit Grove City Trailblazer Awards Nomination Form

### About

Visit Grove City launched the Trailblazer Awards in 2017 to celebrate the Grove City tourism community and honor the people, places, and organizations that make it successful. We believe a “Trailblazer” is someone or something that forges a path of greatness and guides others along the way. The nominees will be recognized and the awards presented at the Visit Grove City Annual Meeting.

### Criteria

The 2017 Trailblazer Awards include three categories: individual, business or attraction, and community event. The criteria for each category can be found below:

**Individual:** This individual demonstrates excellence in creating a positive visitor experience and serves as a strong ambassador for Grove City’s tourism community. They seek to always go above and beyond in everything they do. This individual can be an employee at a local business, a government representative, or a volunteer with a local organization.

**Business/Attraction:** This business or attraction represents the best of Grove City’s tourism assets. From the experience they provide visitors to their enhancement of the community’s image, they are always seeking to improve the tourism industry in Grove City. This can be a for-profit business or a place that draws visitors by providing something of interest or pleasure.

**Community Event:** This community event not only brings together the local community, but also aims to create a memorable visitor experience. The event organizers strive to continually improve the event and the Grove City tourism industry. This can be any event large or small that takes place in Grove City.
